PRIMARY LAWS

And Other Acts of Last Legislature
May be Repealed.

There is every indication that an effort will be made at the coming session of the legislature to overthrow, or rather to repeal, the state primary election law. It is also said that the farmers of the state are preparing to attack the new school code, and from present indications one of the hardest

FIRST DRY PLACE.

Indian Chief First to Introduce the
Order.

It has remained for Francis C. Huebner, formerly of Coshocton, but now of California, to discover that Coshocton was the original "dry" place in Ohio, the arid condition being enforced upon it just a hundred and thirty-four years ago. Huebner has discovered from an old diary that this transaction oc-

problems of the coming legislature will be to repeal laws and rectify alleged mistakes of the last general assembly. All hopes of having a short session have been abandoned and many new measures are being talked of that will keep the lawmakers together for several weeks, if not, in fact, several months.

NINETY YEARS OLD.

Lady Dies After 67 Years Residence
In County.

After an illness of several years, Mrs. Fredericka Bobel, a pioneer resident of Washington township, died Monday morning, Dec. 7, 1908, at the home of her son, Christian Bobel near Tontogany, at the age of 90 years and one month. She was the widow of Conrad Bobel, who deceased about eight years ago. They were married in 1840, and lived one year in Vermillion, O., and in 1841 came to Washington township, Wood county, where they have always resided. Mr. and Mrs. Bobel were widely known throughout this part of the county. Nine years ago Mrs. Bobel suffered a stroke of paralysis, and ever since has been entirely helpless. She leaves to mourn six children.

Funeral was held Wednesday at the residence, and interment was made at Plain cemetery.

JOURNAL'S NEW FOREMAN

The Journal desires to announce to its readers and the general public, that we have secured the services of Mr. Bert Gibbs, of Alma, Mich., as general foreman of this office.

Mr. Gibbs is a practical newspaper man and first-class printer and will be pleased to meet the people of Perrysburg and vicinity.

Mr. Gibbs is authorized to make contracts for advertising and printing on behalf of the JOURNAL. All business matters entrusted to him will have careful and prompt attention.

JUDGE PARKER ILL.

Judge R. S. Parker, of the circuit court, is in University Hospital, Philadelphia, where he underwent an operation for the nervous trouble with which he has been afflicted for sometime. His condition is in every way favorable to a speedy recovery. With him is his daughter, Julia, who writes that she expects they will not return to Toledo before Christmas.

MONDAY MORNING TALKS

Mr. Roose, president of the school board, selected as his theme for the "Monday Morning Talk" the "Initiative and Referendum." He first very clearly explained what is meant by this political phrase, showing that in actual use it was Democratic and not Republican, and also that it was attractive to the people to be regarded as the actual propounders of laws and the enactors.

How this principle put into state constitutions was in contradiction to the national constitution which guarantees a republican form of government was forcibly presented. By reference to Cleveland and the action of its voters upon the street railroad franchise he showed how disastrous a measure it may become. The speaker did not favor this measure as a safe or wise way of law-making.

The "Talk" was very opportune since it is a question to be debated by college debating teams, also high school debating teams of Northwestern Ohio. It was instructive and while the freshman civics class were strictly "in it" all were interested and attentive. We shall hope to hear from others of our school officials.

Marked For Death.

"Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. C. Williams, of Bac, Ky. "The first dose helped me and improvement kept on until I had gained 58 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at Wm. Comstock & Son's drug store. 50c and \$1.00. Trial bottle free.

WHEEL FACTORY FIRE

National Wheel Company Meet with
Heavy Loss.

Much excitement was occasioned by the alarm of fire sounded on Tuesday at 5 p. m., when it was learned that a fire had started in the National Wheel company's factory.

The fact that Perrysburg had water works fire protection is the only reason that we now have a wheel factory, as the prompt and efficient service saved the building. The fire is supposed to have originated in the enameling room and the loss in that department is quite heavy. In all probability a new roof and other repairs must be made to the building and the damage to stock is considerable.

The Wheel factory is the most prominent business institution in the village and its destruction would have been a great loss to the village.

REV. J. H. KLEEKAMP

Leaves Perrysburg for Larger Parish in Canton, Ohio.

Perrysburg people were surprised last Sunday morning to hear the announcement that Rev. J. H. Kleekamp, pastor of St. Rose of Lima church, had been appointed to the pastorate of St. Peter's church in Canton, O.

St. Peter's is one of the most important churches in the diocese, and has been without a pastor since the death of Rev. Victor Arnold, which occurred about a month ago.

Father Kleekamp has been ordained twenty-eight years, and before coming to Perrysburg, where he has been seven years, was pastor of the church at Bucyrus and other charges in the diocese.

During his residence in this place he has been one of our most enterprising and public spirited citizens, always ready to lend his assistance for the upbuilding and advancement of the village and its people. He has made many improvements in the church and residence and their surroundings, and in many ways has endeared himself to his congregation and to the general public, all of whom deeply regret his departure, but congratulate him upon his promotion to one of the best pastorates in the diocese, and hope that his future life may be crowned with success.

Father Kleekamp will leave Perrysburg at noon Saturday, of this week, and will conduct the services at St. Peters in Canton on Sunday.

GETTING RID OF STUMPS.

An exchange tells of the successful use of the following method to get rid of stumps: "With a two-inch auger bore a hole perpendicularly into the stump about two feet. Pour into this hole one pint of a mixture of equal parts of nitric and sulphuric acids. Then plug dipped in melted paraffine. In thirty days' time stumps so treated will be a charred, pulpy mass, roots and all and may be spread over the soil as a fertilizer with a shovel."

DOWLING.

Dr. Hartzog of Bowling Green will give a lecture on "Sunshine and Sense", for the benefit of the school. Everybody should hear him. Admission 15 cents.

COURT HOUSE CULLINGS

Tax Paying, Stone Road Work and
Other Business.

Mary J. Gorden, in a petition to quiet title to certain lands in Montgomery township indicates what carelessness in the transfer of property will sometimes do.

Her suit is against Asa Adams and a large number of others and she claims that in 1836 in a transfer of the property the county and state was omitted. Upon a second transfer this was also omitted and the third time the papers of transfer were not acknowledged, again a deed was made by a man who did not own the property, still again a transfer was not recorded and still another time the state and county were omitted in the deed.

She wants the court to clear up the title.

Cora A. Thrush has begun suit against Harvey A. Thrush for divorce and injunction proceedings against Thrush and F. M. G. Sibert.

She claims that they were married in January, 1901, and have two children, Myron, aged six, and Thelma, aged four. She states further that Thrush was in business in Dunbridge where he had a store which was worth over debts, two thousand dollars. She says that he was doing a profitable business until he became addicted to drink, after which he would absent himself from his business and come home intoxicated. He so neglected the business, she says, that it became unprofitable and he sold it a short time ago to F. M. G. Sibert. She wants an injunction to prevent Sibert from paying anything to Thrush, Thrush from collecting any accounts and either from participating in the transfer of property in connection with the deal. She also wants the custody of the children.

Emma James has brought suit as guardian of Myron Ames and Agnes Ames, against Harry J. Jones, Alvin C. Jones and Stewart Baumgardner for the payment of a note amounting to \$344.21. The note is secured by a mortgage on property in Dunbridge and she asks that this be foreclosed.

F. E. Whitker has brought suit against Ann C. Beach, H. H. Simmons and H. E. English. He claims that he secured a judgment in justice court of \$85 and that an interest on property on which he is about to levy is claimed by Simmons and English. He wants a marshaling of liens and a sale of the property.

B. M. Soloman has begun suit against Lizzie Thompson and others for the payment of a note of five hundred dollars. The note is secured by a mortgage on property in Montgomery township. He says that Minile & Kortier, in business in Bradner, are understood to have some claim on the property and he asks that this be set forth.
